VENDOR	SUGGESTED TIP	NOTES

Videographer	\$50–\$150	Similar to photographer — acknowledge both individuals if a team
Caterer / Head Chef	\$50–\$200	Give to head chef or catering manager to distribute to kitchen staff
Wait Staff	15–20% of food & beverage check	Check contract — some caterers include gratuity; don't double-tip

DJ	\$50–\$150	Give at end of night; if a band, \$25–\$50 per band member

VOW WRITING PROMPTS

Guided worksheets to help you write heartfelt, personal vows

Bold & Balanced Wedding Bible · Bonus Toolkit

Use these prompts to brainstorm and draft your personal wedding vows. There is no right or wrong length — write from the heart. Most vows run 1–3 minutes when spoken aloud. Aim for 150–300 words.

The moment I knew: Describe when you first realised this was the person you wanted to marry.

What I love most: Name 3 specific qualities — not generic (kind, funny) but stories that show it.

Our story: One short memory that captures your relationship perfectly.

My promises: List 3–5 specific, personal commitments. Be concrete, not clichéd.

What our future looks like: Describe a moment you're looking forward to sharing together.

My closing words: A final sentence that captures everything you want them to know.

MY WEDDING VOWS

Write your final vows here. Practice reading aloud at least 5 times before the day. Bring this page or a printed card to the ceremony as your backup.
