INTRODUCTION & HOW TO USE

Bold & Balanced Wedding Bible · Marigold Bride

Welcome to Your Wedding Planner

Congratulations on your engagement! This planner is your all-in-one guide to organise every detail of your wedding day — from the first budget meeting to the final thank-you notes.

HOW TO USE THIS PLANNER

Print all pages at home or at your local print shop. We recommend printing on 80–100gsm paper for the best writing experience. Bind with a ring binder, disc system, or have it spiral-bound for a truly beautiful keepsake.

Each section begins with a decorative divider page, followed by planning worksheets, checklists, and lined notes pages. Work through the sections in order or jump directly to what you need today.

PRINTING TIPS

- Print double-sided (flip on long edge) for a book-style finish
- Leave the left margin clear for hole-punching or binding
- For best colour, use the colour PDF; the B&W version prints cleanly too
- Laminate the cover page for a professional finish

We wish you a beautiful, stress-free wedding planning journey.

With love,
Marigold Bride
